principal amount not to exceed \$1,000,000 (the "Bonds") for the purpose of providing permanent financing for the Project. The Bonds shall be issued pursuant to and in accordance with the General Ordinance, as supplemented by this Ordinance and the Bond Committee Resolution (as defined herein) for the purpose of financing the Project and the costs of issuing the Bonds. The Bonds shall be sold at a private negotiated sale or competitive sale as determined by such Resolution of the Bond Committee.

The Bonds shall be awarded and sold by the Bond Committee to one or more underwriters, placement agents or other financial institution to be selected by the Bond Committee (the "Purchaser") at a purchase price and in accordance with such terms and conditions as will be set forth: (i) in the case of a negotiated sale, in a Bond Purchase Agreement or term sheet, as the case may be, or similar agreement or commitment, to be entered into by the Purchaser and the City, or (ii) in the case of a competitive sale, in a Bid Form submitted to the Bond Committee in response to an Invitation to Bid prepared and distributed by the Bond Committee. In the case of clause (ii) above, the Bond Committee will accept the Bid Form which represents the lowest true interest cost to the City. The appropriate officials of the City are hereby authorized to enter into such Bond Purchase Agreement or term sheet, and to execute the Bond Purchase Agreement or accept the term sheet on behalf of the City, or to accept the most favorable Bid Form.

The Bonds shall bear such rate or rates of interest (not to exceed 8%), shall mature in such principal amounts and on such dates, shall be subject to redemption, shall be sold at such price and in such manner, and shall be in such form and contain or be subject to such other terms and conditions, as shall be determined in the Resolution adopted by the Bond Committee (the "Bond Committee Resolution").

Section 4. Authorization of Paying Agent's Agreement, and Other Agreements. If the Bond Committee determines that retaining a Paying Agent is in the best financial interests of the City, a fiscal agent, paying agent and registrar for the Bond (the "Paying Agent") may be selected and appointed by the Bond Committee. In the event that it is determined that it is advantageous to use a Paying Agent, the appropriate officials of the City are hereby authorized and directed to contract with the Paying Agent in connection with the performance of duties as paying agent and registrar on the usual and customary terms. The Paying Agent Agreement shall be in such form as shall be approved by the Bond Committee.

Section 5. Execution of the Bonds. The Bonds shall be executed by the manual or facsimile signatures of the Mayor, the City Treasurer and the City Auditor, and by the actual or facsimile impression of the City Seal, both attested by the manual or facsimile signatures of the City Clerk or Deputy City Clerk.

Section 6. Security for the Bonds. The full faith, credit and taxing power of the City is hereby pledged to the prompt payment of the principal of, premium, if any, and the interest on the Bonds. The Bonds shall be the direct and unlimited obligations of the City, and unless paid from other sources, the City shall levy *ad valorem* taxes upon all taxable property in the City for the payment of the Bonds without limitation as to rate or amount.

Section 7. Federal Tax Covenants. In the event that the Bonds are issued on a tax-exempt basis, the City hereby covenants not to take or omit to take any action so as to cause interest on the Bonds to be no longer excluded from gross income for purposes of federal income taxation and to otherwise comply with the requirements of Sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended (the "Code"), and all applicable regulations promulgated with respect thereto, throughout the term of the Bonds. The City further covenants with the registered owners of the Bonds that it will make no investments or other use of the proceeds of the Bonds, respectively, which would cause such Bonds to be "arbitrage bonds" as defined in Section 148 of the Code. The City further covenants to comply with the rebate requirements (including the prohibited payment provisions) contained in Section 148(f) of the Code in any regulations promulgated thereunder, to the extent applicable, and to pay any interest or penalty imposed by the United States for failure to comply with rebate requirements, to the extent applicable.

Section 8. Official Intent. In accordance with Treasury Reg. §1.150-2, the City hereby confirms its intentions that a portion of the proceeds of the obligations authorized by this Ordinance, or any other obligations issued by the City, will be used to reimburse itself for qualifying expenditures of the Project, or any other capital project authorized by the City in its capital budget for its Fiscal Year ending June 30, 2015 or any other prior capital budget, paid prior to the date of issuance of the obligations authorized by this Ordinance or such other obligations. All original expenditures to be reimbursed will be capital expenditures (as defined in Treas. Reg. §1.150-1(b)) and other amounts permitted to be reimbursed pursuant to Treas. Reg. §1.150-2(d)(3) and (f).

Section 9. Further Action. The appropriate officers of the City are hereby authorized and directed to take all such action, execute, deliver, file and record all such documents, publish all notices and otherwise carry out the intent of the General Ordinance and this Ordinance in the name of and on behalf of the City.

Section 10. Inconsistent Provisions. In the event that any provision of the Bonds, or any term or condition contained in any agreement relating to the Bonds or in this Supplemental Ordinance, shall be inconsistent with any of the provisions of the General Ordinance, the Bonds, such agreements and this Supplemental Ordinance shall be controlling with respect to the Bonds, such agreements and this Supplemental Ordinance.

Section 11. Relation to General Ordinance. This Ordinance is supplemental to the General Ordinance and all sections of the General Ordinance, except as modified herein in accordance therewith, are applicable to the Bonds authorized hereunder. This Ordinance shall take effect immediately upon its passage.

Section 12. Effective Date. This Ordinance shall become effective upon its passage by Council and approval by the Mayor.
